

# 4 STROKE ADVANTAGE

**STRONGER. LIGHTER. FASTER. SMARTER.**

## PLASMA FUSED

### PLASMA FUSION

The heart of Yamaha's  
4.2L V6 range.

This unique process allows Yamaha  
to deliver the biggest displacement  
in this horsepower category while  
maintaining the lightest weight.  
Effortless power at your fingertips  
– no other engine comes close.

### BIGGEST + LIGHTEST

Tournament winning  
performance
